	assigned to the inistry of Economics Ferr Koming was departmental assigned	
	in the Yinistry of Winances in 1951. From Schietoff is reported for the first time. It is known that the West Worlin firms of Schmidt and Pumpenschulze sell the raterial required by the Exercise West World and Pumpenschulze sell	
(3)	one hardfall fending by one breaden naumion.	•
	preliminary work for current and water supply, billets for workers, spur track	
(l_i)	etc. Construction superintendents Jahn and Soennchen who were previously reported are confirmed by this document.	
	reported ratiroad signal station at trabkow at kilometer parker 197.61 on the	
	main railroad line between Guben and Gottbus is not entered on available railroad gans.	
25X1 (5)	The statements show that work at Drewitz airfield progresses slowly because of technical difficulties and a shortage of workers. However,	
	work is to be accelerated in the future.
